

Easy Improv in 3 Steps

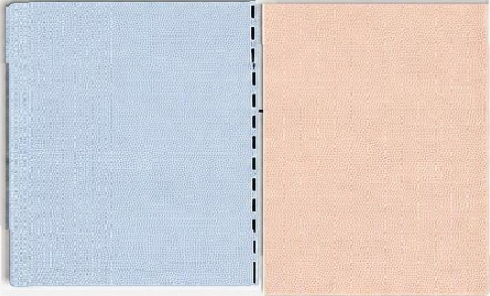

— STEP 1 —

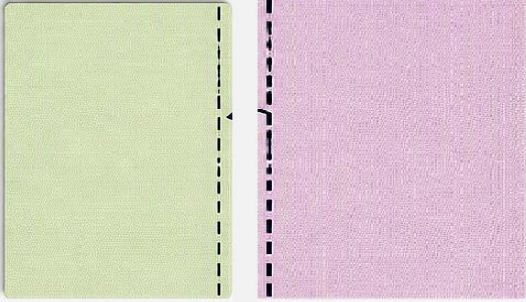

Made with AI

Four pieces of fabric, approx. the same size.

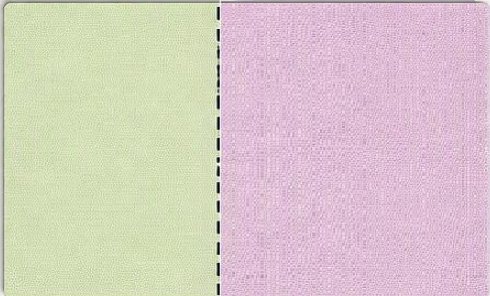

1. Place right sides together.
Sew along the dashed edge.

1. Place right sides together.
Sew along the dashed edge.

You now have 2 sewn pieces.

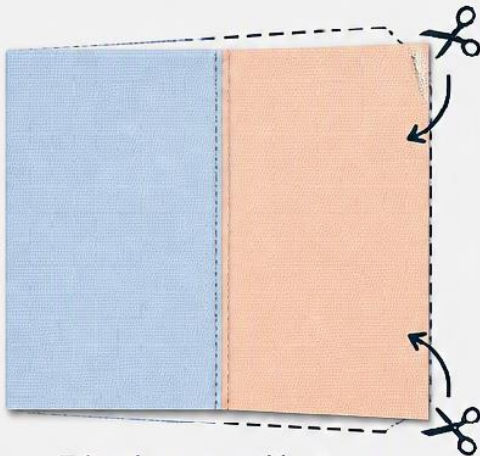

SEWING TIP:

Use a 1/4" seam allowance and backstitch at the beginning and end.

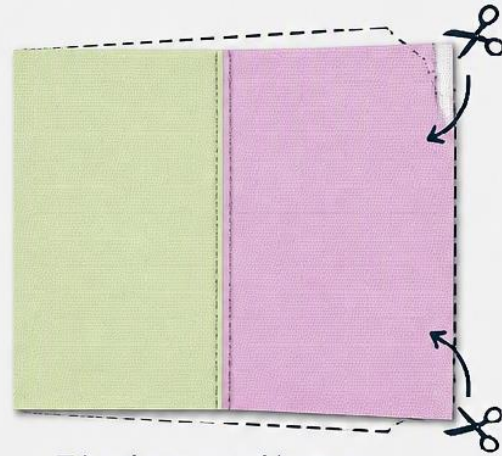

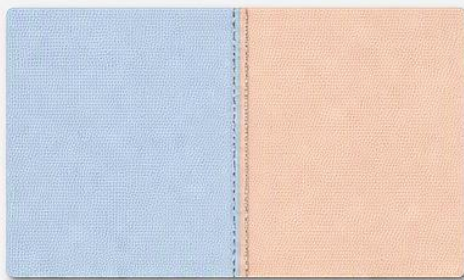

— STEP 2 —

Made with AI

Trim uneven edges as needed.

Trim the top and bottom edges to make them even.

Trim the top and bottom edges to make them even.

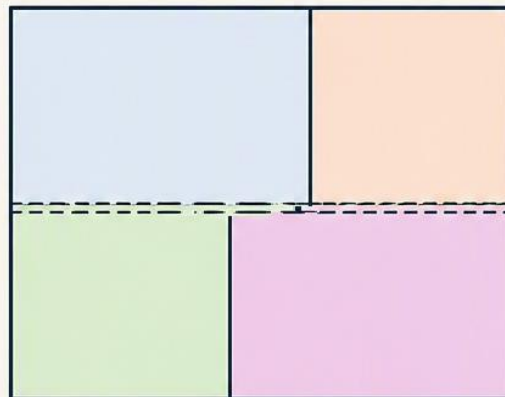

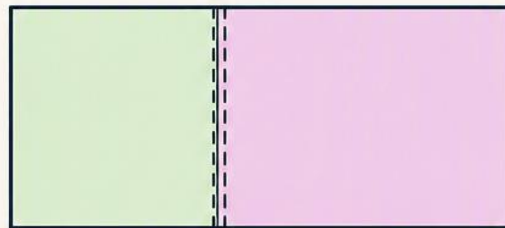

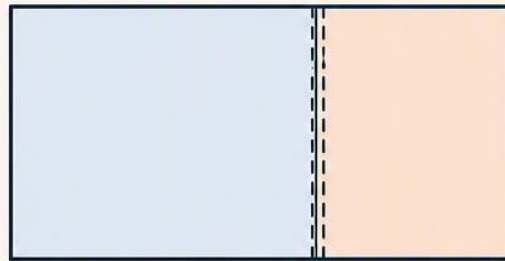

You now have two clean pairs ready for the final step.

— STEP 3 —

Join the two sewn pairs to form your four-patch block.
